Who are we and what do we do?

We are a firm of independent financial advisers and have been helping our clients to meet their financial goals for over 30 years.

Twigden Asset Management Ltd is authorised and regulated by the Financial Conduct Authority (FCA). The FCA is the independent regulator of financial services in the United Kingdom. Twigden Asset Management Ltd is entered on the Financial Services Register (www.fca.org.uk/register) under reference 223678.

What can we do for you?

Our mainstream service is to act on your behalf for the purpose of arranging and advising on the following:

- Investments & Pensions, for example an ISA or Personal Pension Plan;
- Personal & Family Protection, for example a Life Assurance or Critical Illness Plan;
- Mortgages including Buy to Let
- General Insurance, for example Buildings, Contents or Private Medical.

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs and objectives. Following our research, we will provide a personal recommendation(s) for you to consider. With your agreement we will then implement our recommendation(s) and arrange any products on your behalf.

Once your financial plans are in place it is important to keep them under review. Subject to the type of services you require from us, we can continue to act on your behalf through one of our service packages. Alternatively, for those who prefer a more transactional or ad-hoc 'pay as you go' service, we are also happy to provide our services as and when you need them. Ultimately, whichever type or level of service you require from us we will always act in your best interests.

Further details about these and other related services we provide are contained in the pages below. This also confirms the typical cost and how you can pay us for them.

IMPORTANT INFORMATION

Before you consider our services in more detail, we would like to draw your attention to the following important information:

Before we undertake any work on your behalf we will set out, and agree with you, the terms and conditions of our engagement in a written Client Agreement. This will confirm the scope and specific services to be provided, including any on-going services, their associated costs and method of payment. It will also confirm how we use and store personal information we collect from you in the course of providing our services. A copy of our standard Client Agreement is available on request.

Under the terms of Financial Conduct Authority (FCA) regulations we will classify you as a retail client for investment and pensions business. As a retail client you have the right to request re-classification as an elective professional client. This may be generally or in respect of a particular service, type of transaction or product, and is subject to the following:

- All requests for re-classification must be made in writing.
- We will consider such requests on a case-by-case basis against the criteria set out in FCA rules.
- We will confirm the scope of any re-categorisation along with the consumer protections you will lose as a result.
- You must keep us informed of any change to your circumstances that could affect your classification

We will not advise you if you are experiencing difficulties managing debts.

Free help and advice about managing your debts is available by contacting the Money and Pensions Service via its website; www.moneyandpensionservice.org.uk.

INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and/or retirement objectives. We provide independent advice which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):

- Open Ended Investment Company Funds (OEICs) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;
- Personal Pensions, Stakeholder Pensions, Self-Invested Personal Pensions (SIPPs) and Annuities;
- Insurance Based Investments, including Capital Investment Bonds and Endowments;
- Structured Capital at Risk Products (SCARPS) and Structured Deposits;
- Certain Specialist Investments suitable for retail clients, including Venture Capital Trust (VCT) Investments and Enterprise Investment Schemes (EIS).

2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the market place.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS).

We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We will discuss your payment options with you and answer any question that you may have. We will let you know if you have to pay VAT on the cost of our service.

It is possible that other costs, including taxes related to the business we conduct and products we arrange for you, may arise. These costs will not be paid by our firm but borne by you.
 We may also recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash ISAs, National Savings & Investment Products (NS & I), or Inheritance Tax Planning (IHT).

A description of our initial and ongoing services, their associated costs and payment terms, is provided below.

Ad-Hoc or One-Off Review Service

This service is typically suitable for those who don't want to pay for regular reviews by their adviser and prefer to monitor things themselves. Upon request, we are happy to offer one off or 'ad-hoc' reviews of an investment/pension we set up for you should the need arise. Our adviser charge for this service is **£250 per hour**.

A typical review will include:

- **Updating the information, we already hold about you;**
- **Re-confirming your objectives and risk profile;**
- **Providing you with recommendations regarding the on-going suitability of your portfolio, and;**
- **Subject to your agreement, implementing any adjustments to your portfolio we recommend e.g. fund switches.**

Example cost:

For a portfolio containing 2 separate arrangements (for example a personal pension and an ISA) we would expect a typical review to take approx. 3 to 4 hours calculated in 15 minute intervals.

For example, if it took us 3 hours and 30 minutes to complete a review, our fee would be **£525**.

What are your payment options?

- We accept direct payment by cheque, or bank transfer.
- We do not accept cash.
- We will tell you if it is possible to settle our fees through a deduction from your investment/pension.
- For new investments and pension plans funded by regular contributions only (e.g. monthly by direct debit), you can choose to pay our fees by instalments.
- If you choose to pay instalments as a deduction from your investment/pension, although you pay us nothing up front this does not mean our service is free. You are still paying us indirectly through deductions from the amount you pay into the product. These deductions will go towards settling our fee and will reduce the amount left for investment.
- Please note that if you cancel your investment or pension product before our fee is settled in full, including cancellation during a statutory cooling off period, you will need to make alternative arrangements to pay our fee.

Other benefits we may receive

If we take over the servicing rights of your existing arrangements that were arranged by another firm, we may be entitled to receive an on-going payment as a result.
